**1- Product Category:**   Wall Lights

2- Product Code: PVW-BD90-T24W

3- Product Picture:

4- Product Specification:

4-1- Modern style up and down wall light, 12" 24W, 120 VAC

4-2- Patent design, multiple colors and models for choice

4-3- 5CCT tunable, 2700K/3000K/3500K/4000K/5000K

4-4- Advanced sensitive design, auto turn on at night and turn off at day

4-5- Die-cast Aluminum weatherproof housing, steel back plate

4-6- IP65 Rating grade, suitable for wet locations

4-7- Used for both outdoor and indoor areas

4-8- Luminous Flux 2300LM

4-9- Dimensions 3.54 x 3.54 x 12 Inchs   90 x 90 x 300 mm

4-10- Used for both outdoor and indoor areas

4-11- Certificates ISO9001,CE,RoHs,ETL,cETL,FCC,ICES,IP65

Durable Aluminum Body

High Bright SMD LED

Universal Mounting Plate

Advanced Sensor Program
The lamp will automatically turn on at night and turn off at daytime

5CCT Tunable
2700K/3000K/3500K/4000K/5000K, easy to keep inventory

5- Product Features:

Our outdoor wall lights combine high-end photocell sensor which can sensitively detect the brightness of surroundings

24W WATTAGE	**354"x 354" x12"** DIMENSION
100-277 V VOLTAGE	**2300 lumens** BRIGHTNESS
2700K 3000K 3500K 4000K 5000K ADJUSTABLE	**65°** BEAM ANGLE
Photocell Sensor DUSK TO DAWN	**3 YEAR** WARRANTY

Lamp Body Color Customized

6- Product Application:

Weather Resistance & Anti-rust

Waterproof   Snowproof   Heat-resistance   Anti-rust
